Dear Sir/Madam

If you have recently been cited for **traffic violations in one of the Las Vegas area courts such as Las Vegas Justice Court, Las Vegas Municipal Court, North Las Vegas Municipal Court, Henderson Justice or Municipal Court then you are not alone.** The consequences of such citations can be severe, including being reported to the Department of Motor Vehicles (points on your record), increased insurance premiums, a large fine due to the court, and if you do not respond by the court date, **a bench warrant for your arrest.**

Please contact my Law Office so that I can help you in most cases reduce your traffic citation to a **non- moving violation (illegal parking ticket) with No Points on your DMV record, No Traffic School, No insurance increases, No court appearance,** and in many cases reduced court fines.

I have helped clients resolve thousands of traffic and criminal cases. Please call my office at **702-382-2000** for your free consultation and quote, or visit us at **www.LVTicketAttorney.com** and submit our free online consultation form. Please call me or come to my Law Office downtown, on the corner of 6<sup>th</sup> St. and Gass ave. I look forward to helping you resolve your traffic ticket or any of your other legal needs.

Regards,

Mark Coburn, Esq.
